ImportantLessonInfo

Students are supervised during scheduled lesson times only. Lesson days are not interchangeable.

Our instructors are available 10 minutes before the lesson to help you with drop offs, and 5 minutes after the lesson to fill you in on what happened in the class. Please be prompt in meeting your children after their lessons.

Lessons depart on time. If you are late for a class, speak with a Lesson Co-ordinator at the designated lesson meeting area to help you find your class quickly.

Many of our lessons have been scheduled so that everyone in the family can take lessons at the same time and enjoy sliding together before or after.

Lesson Passes include the use of slopes from 8:30am to 9:30pm on the day of your lesson.

Lessons are a go, rain, shine or snow! Call the Snow Phone at 905.878.5011 (Press 6) if in doubt. Please come prepared.

The Snow School reserves the right to move students between classes or programs based on ability and program suitability to ensure that all students have a safe and enjoyable experience.

Glen Eden reserves the right to cancel lesson programs due to limited enrolment. Our Visitor Services representatives will do their best to accommodate these students in another program if available.

Note: Age as of December 1, 2011
